Credit Card Form

I _____ have given my credit card information (below) to Academic Community Enrichment Academy (ACE) and authorize them to use this card to pay for my child's quarterly tuition payment of \$ _____ if my account is not paid 10 days after SUFS quarterly funds drop. If my credit card is declined, for any reason, a second attempt will be made to run the credit card later the same day or the next day. If the card remains declined, an ACE staff member will notify me via email. If this happens, a new Credit Card Authorization Form must be filled out and turned into the front desk immediately. If my credit card is declined, I understand that a \$25.00 late fee may be added to my tuition if a valid credit card or another form of payment is not turned into the school for my child's tuition within a week's time.

Signature of Card Holder

Date

You must fill out the information below even if you currently have this card on file. Paperwork from previous years have been shredded.
